Weddings

Welcome to our Wedding guide 2011

The following packages, menus & buffets have been put together to give you an idea of what we do, but we always keep focus on the most important point “ it’s your day”.

There are lots of options available to you from a simple buffet with a few close friends to a fully organised day with one of our three packages.

We know organising a wedding is a very exciting time but sometimes it can be a little daunting & confusing so please feel free to contact us with any questions you may have about your forthcoming big day.

We are here to help with any question.
